

We are a growing organization of parents and young children who meet regularly to share common experiences, friendships, playmates for our children and the day to day successes and challenges of our most important mission – Parenthood!

Welcome! Our playgroup is a non-denominational organization. We meet regularly in order to lend support to each other and for our young children to learn social skills in a group of their peers. We organize a group playtime and field trip every week, on Tuesdays and Fridays. Some of our favorite field trips are to the zoo, local parks, play lands, and the fire station. Occasionally, we have art activities or a visit from a Kindermusik instructor at the church. Hopefully, parents and children both will have lots of fun and make some new friends along the way.

In addition to our weekly activities, we also hold a few special family events a year. These events are typically held in spring, fall and winter. We have these events on weekends so the entire family can participate. Other family activities are also planned periodically throughout the year.

Another great way we support each other is through our Sunshine Committee. Sunshine helps out by organizing volunteer parents to deliver up to six meals to a Teeter Toddler's family after the birth of a new baby.

We Toddler Times publish newsletter each month. The newsletter includes a monthly activity calendar with a full description of activities with pricing and other vital information. The newsletter also includes the Feature Family column, highlighting one family each month, as another way of getting to know one another better. As a playgroup visitor, you will receive the current newsletter during your first visit to group playtime at the church and will be mailed the newsletter for next month.

As a playgroup visitor, you are entitled to a one-month trial period. We encourage you to participate often during your trial period and get to know our vibrant group. We are confident that you will want to become a member, and at \$35 a year, what a deal! The annual fee covers the cost of the newsletter publication and mailing, craft supplies, parties, charitable donations and other items (such as safety items, paper goods and toys).

Teeter Toddler's Playgroup

The ongoing success of our group depends upon the participation of our members. Members do all of the planning, budgeting, publishing and recruiting. We encourage all new members to become involved. Members are needed, and encouraged, to volunteer on the Caring Committee. This committee is responsible for helping with the set-up/clean-up of special events, giving ideas for the newsletter articles, offering suggestions for activities, preparing meals for new mothers and providing monthly birthday treats. We realize that each family has varying commitments outside of playgroup, so how involved you become is up to you! Any level of commitment is greatly appreciated.

After you have had an opportunity to see our group in action and you decide to join, just fill out and return a New Member Form with a check payable to Teeter Toddler's Playgroup. Forms are available at the church. The annual fee is non-refundable.

We welcome you as a member, so if this sounds like something you would like to be a part of, please join us! If you have any other questions, please feel free to call Beth at (812) 542-1279, Kristen at (812) 949-2113, or visit our website at www.teetertoddlers.org.
